JUNE-JULY 2009

Dear Praying Friends,

Greetings in the name of our Lord Jesus Christ. Again, I wish to thank each of you for your fervent prayers on our behalf. We are blessed to have so many that pray and financially support our ministry to God's chosen people, the Jews.

MINISTRY UPDATE

We had an exciting trip to Costa Rica this past month. God blessed our efforts, and we were able to establish a new Jewish outreach through Coronado Independent Baptist Church (Pastor Jorge Arrya). With the help of Assistant Pastor Alex Arrya, we conducted Jewish evangelism seminar, a Pastors' conference, and preached in three (3) different local Baptist churches. We were able to share our burden for the Jewish people with those in attendance. God moved in every service, as we saw many come forward during the invitations to renew their vows and to pray for the lost.

During the week of June 7, I had the privilege of preaching for Dr. Jack K. Mayes at Crossroads Baptist Church. He asked me to preach 2 prophecy messages using my PowerPoint presentation. After I set up for the morning services, my computer decided to take a nap! Between services, I decided to try it again, and it did work properly for the morning AM worship service. At the end of the service, Crossroads Baptist Church took up an offering for me and they bought me a new computer! Praise God! What a blessing this church has been to our ministry over the years. Thank you for your love of the Jewish people and your confidence in our ministry. You are a great BLESSING!

During the week of June 14-17, we were privileged to preach for Pastor Charles McDonald at Bethel Baptist Church in Fairmont, WV. We were blessed by our time of worship and fellowship.

On July 5-10, I preached an Israel & End-Time Prophecy Conference in State College, PA. On the way to the church, I passed Penn State and the State Pen! We had a great week of meetings with Pastor Bill Kovacic at Lifegate Baptist Church. We saw 3 people come forward for SALVATION! Two men were in their 60's, and one young boy (16 yrs. of age) came forward during the invitations. Many others also came forward to renew their vows with the Lord. Praise the Lord!

Later this month, I will be traveling again to work with Pastor Mike King of Brighton Beach Baptist Church in Brooklyn, NY. Please pray that God will bless our efforts to evangelize the Jewish population in New York City, the largest city in the world of Jewish population.

CUBA OUTREACH 2009

Plans are still tentative for a possible return trip to Cuba in September. Please pray that God will work out the necessary details for this return. Our established ministry there is in need of additional training and support. We are praying that God will allow us to again go to Cuba to further our work in reaching out to the Jewish people living in the country.

ISRAEL BIBLE STUDY TOUR 2009

On November 2-11, 2009, Dr. Glenn Mathews (RevivalCrusade.com) and I will be co-hosting an Israel Bible Study Tour. We would like to INVITE you and members of your church to join us for this great opportunity to study the Word of God on location where the events took place. At present, we still have a few openings for those interested in joining us. You can view the itinerary and details about this trip at www.stevecook.org. Contact us for a free brochure of the trip.

PRAYER REQUESTS

Since last month, Cosie has visited Dr. Leonard Bernstein (Jewish doctor) in Cincinnati, OH. He has prescribed 3 new medicines for her, and they seem to be helping some. Though these meds are very expensive (one nasal spray costs \$1,100), we are thankful that they are helping. Please pray that God will continue to supply our financial need to be able to pay for them.

My daughter, Kristen, will have to have surgery on June 22nd to repair a previous surgery she had 1 ½ years ago. Though it is not considered major surgery, any surgery has its risks. Please remember Kristen in your prayers.

Again, I am doing fine, though I often get weary of being on the road most of the time. However, God gives grace when grace is needed! Praise His Holy Name! I am so blessed to be called to Jewish missions. My good friend and former pastor, Fred Conley, once said, "It doesn't amaze me WHERE God puts me... It just amazes me that He PUTS ME!" I am so grateful to all of you who stand with us as we *Stand for Israel*. Please know that we are "co-laborers together with God" in reaching out to His chosen people. May the Lord bless you always and in all ways in our prayer.
