

MAY 2009

Dear Praying Friends,

Greetings in the name of our Lord Jesus Christ. Again, I wish to thank each of you for your fervent prayers on our behalf. We are blessed to have so many wonderful friends in Christ pray and financially support our ministry to God's chosen people, the Jews. I want to especially thank all of you who have graciously given to our ministry outreach to Costa Rica. We look forward this month to re-visiting our brothers and sisters in Central America, and to strengthen our brethren in Jewish evangelism and outreach. Please remember to pray for us as we endeavor to campus the area of San Jose, Costa Rica. There are approximately 3,500 Jewish people who live in this city. It is our desire to reach as many as possible with tract distribution, personal evangelism, and through meetings in local churches.

MINISTRY UPDATE

I want to thank two new churches who have recently elected to "partner" with our family and ministry with JEM. Twin Valley Baptist Church (Pastor Don Noel) of Portsmouth, OH, and Shoals Baptist Church (Pastor Larry Skidmore) of Shoals, WV, have elected to pick us up as part of their missionary family. We are honored to have your confidence and partnership in reaching out to the Jewish people. During the past month, we were blessed to preach in Portsmouth, OH, Wilmington, NC, Greensboro, NC, Barboursville, WV, and Flatwoods, KY. We look forward to traveling to Huntington, WV, Fairmont, WV, San Jose, Costa Rica, State College, PA, and Brooklyn, NY, in the coming weeks. We would not be able to go without your financial help. Thank you all so much for your burden for the Jewish people and your desire to reach out to them with Gospel of Christ.

CUBA OUTREACH 2009

Plans are being made for a possible return trip to Cuba (possibly in September 2009). Please pray that God will work out the necessary details for this return. I have been to Cuba on other trips, and God has certainly been blessing our JEM efforts. Brother Rolly and Karl have been able to advance the cause of reaching out to the Jewish population in Cuba during our absence. There are many Cuban churches that have welcomed JEM to provide training in Jewish evangelism. It is my desire to return to take part in this great ministry. Pray that God will grant us visas, documents, and provide the necessary finances to go.

PRAYER REQUESTS

God met our needs to go to Costa Rica this month. Several churches sent special love gifts to enable us to go. Thank you so much. Cosie has not been well lately. She has had an outbreak of "hives" the past few weeks. This has been brought on by her "lupus" affliction. Her problem with hives were compounded by an outbreak of "shingles". She had to be taken to Cincinnati, OH, to see her doctor – Dr. Leonard Bernstein. He is one of the top immunologists in the world - another Jewish blessing from God. He has treated her shingles, but her hives still continue. Pray that God would heal Cosie – and if it be His perfect will, to heal her of lupus that she has suffered with for the past 15 years.

My mother had a biopsy of a tumor in her neck. Praise the Lord, it was benign! She still has other health issues, though. Please remember my mother, Peggy Cook, in your prayers. She is a wonderful mother and loves the Lord.

I am doing fine. God continues to give me strength to travel week after week to preach across the USA and abroad. I am blessed to have such a wonderful calling. I thank God for every opportunity He gives for me to preach to Jews and Gentiles, and to teach on Jewish evangelism, missions, and Israel & End-Time Prophecy. Please pray that God will continue to find us faithful and provide us with open doors. It is our desire to see people saved, saints edified, and to make a difference where a difference needs to be made.

Steve, Cosie, & Kristen Cook
